About the Mini Trade Show

Nov. 04 5:00-7:00 pm

TRI/Environmental, Inc. is offering a unique opportunity to highlight your firm's services at a mini trade show to be held at the conclusion of the first day's short course. The trade show and happy hour will bring attendees and vendors together for refreshment, open interaction and discussion.

All vendors are welcome, on a first come - first serve basis, and may include...

- Specifying/Certifying Engineers
- Construction/Quality Assurance Project Managers
- Installers/Contractors
- Third Party Inspectors
- Regulators
- Manufacturers

Why you should show

This is an opportunity for your firm to meet new people and demonstrate your commitment to excellence in geosynthetic quality assurance, and material and construction excellence.

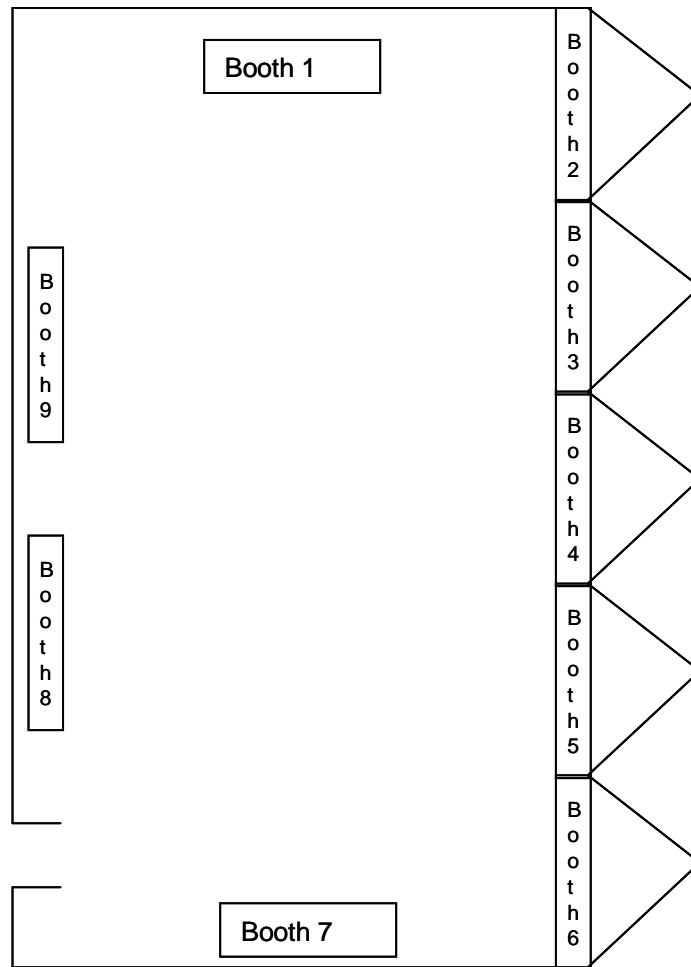

Booth Shipping Setup and Breakdown

Booths may be shipped to and from the Monash Conference Center. The trade show room will be open at 4 pm on Nov 4th, 2010 for booth setup. Booths must be broken down and removed immediately after the trade show and the room emptied by 8:00 pm.
